MEMORANDUM

TO: Affected Agencies and Shippers/Carriers

SUBJECT: Waiver to Carriers Transporting Essential Emergency Relief Supplies in Support of Hurricanes Impacting the Gulf States.

Hurricanes have caused widespread damages throughout the Gulf Coast and Southeast. In response to the impacts from these hurricanes and to ensure a speedy recovery to those citizens impacted by the hurricanes, the Commonwealth of Virginia is looking at ways to ensure goods and services get into areas impacted by high winds, storm surge, tornadoes and flooding.

As a result, the Virginia Department of Transportation and the Virginia Department of Motor Vehicles jointly authorize a temporary waiver of registration and license requirements along with normal weight and width restrictions for the purpose of ensuring essential emergency relief supplies reach the disaster area in a timely manner. This waiver is effective beginning October 30, 2005 until midnight on November 30, 2005. It pertains only to shippers and carriers of essential emergency relief supplies into those areas impacted by Hurricanes Katrina, Rita and Wilma and are subject to the weight restrictions below:

TRUCK TYPE	MAX G.V.W.	SINGLE AXLE	TANDEM AXLE	3 AXLE GROUP	4 AXLE GROUP
